

SINCRONIA NEGRE

Year 2021

Varieties: Callet, Cabernet, Gorgollassa, Monastrell and Merlot.

Winemaking zone: Vi de la Terra de Mallorca

Viticulture: Biodynamic

Climatology: The winter of 2021 was not especially cold or rainy, but the start of spring, just before flowering, brought generous rains that made the vines very green when the summer arrived. While the early summer was mild and not especially hot, August was marked by very hot episodes that accelerated the ripening of some varieties. The storms in late August and September swept past Porreres without leaving a drop. The accumulation of reserves for the 2022 harvest began in a rainy November with over 140 mm of rain in Porreres, which, while being abundant, contrasted greatly with

many other municipalities where the rain was three or four times heavier.

Vinification: The different varieties that make up the wine are fermented separately according to their point of ripening and are blended at the end of malolactic fermentation in a stainless steel tank and are then transferred to casks.

Type of ageing: French and American oak casks of 225 litres.

Alcoholic degree: 12,5%

ATT: 5.3

Residual sugars: 1,0

Clarification: Bentonite in fermentation

Bottling: May 2022

Market launch: Juni 2022

Tasting note: Forest fruits and red plums with a spicy touch. In the mouth it is light, fresh and persistent.

Comments: Synchrony is the magic of life. What we sometimes experience as negative event can become an opportunity, something that occurs at the same time as something else. The young wines of Mesquida Mora are born in synchrony with their siblings ACROLLAM, TRISPOL and SÒTIL.

The labels of SINCRONIA wines are composed of small fragments of coloured paper, like life itself, representing the vines where they were born and composing a picture that evokes the Mediterranean essence of our island, Mallorca.

SINCRONIA NEGRE is illustrated with a lighthouse, to remember always the port of exit and, perhaps, the port of return.
